Scholarship Guidelines for Seminary

1. Scholarships will be given only to student members of CBGC (“home”) churches.
2. Scholarships will be given on a pro-rata basis based on the number of actual hours for which the student is enrolled.
For example, a full-time student is one who takes 9 or more hours in a given semester; therefore, a student enrolled for 6 hours would be eligible for 67% of the approved scholarship that semester.
3. A student will be eligible for a scholarship upon completion of 9 credit hours of seminary work, or we will consider the student’s last year of their Bachelor’s Degree in which the student had a 3.3 or better GPA.
4. A student must have an accumulative GPA of 3.0 or above (based on a “4.0” system) unless another directive is given or stated by donors of designated scholarship funds.
5. It is the Baptist Foundation of Colorado Board of Directors’ desire to financially assist as many students as possible in obtaining their *first* master’s level degree from Golden Gate Baptist Theological Seminary, Rocky Mountain Campus. Therefore, it will be the Board’s policy to not assist students working on a *second* master’s level degree or towards a doctoral-level degree.

Scholarship Guidelines for Christian College Students

1. Scholarships will be given only to student members of CBGC (“home”) churches.
2. Scholarships will be given only to students preparing for the ministry who are considered full-time students by their college.
3. Students will be eligible for scholarships if they are entering their sophomore or later year.
4. Students must have an accumulative GPA of 3.0 or above (based on a “4.0” system).
